

## GRINDING DISCS PROFLEX & PHOENIX II

Abracs Grinding Discs offer heavy duty abrasive grinding, professional performance and outstanding product life. Available for both metal & stone applications in a comprehensive range of sizes to suit a wide variety of working machines. All Abracs Grinding Discs are manufactured to European safety standards and marked with EN12413. Proflex Grinding Discs are an incredibly good value product with an exceptional cost per cut ratio. Abracs Phoenix Grinding Discs are produced to O.S.A. Safety standards and are a premium quality European manufactured product. We have clear and easy to read specification information on our disc labels and product features listed on the box to make product selection easy.

Use **PF** in the highlighted area of the product code for Proflex discs or **PH** for Phoenix discs e.g. **PH1156ODM**

Bulk rates are available for volume orders. Ask the team for details.
